

What is Inspiration Way? Inspiration Way is a highly trafficked pathway that connects Camp Horizon's Inspiration Lodge to the iconic Inspiration Point.

Why pave the way to Inspiration Point? Paving Inspiration Way will improve access to Inspiration Point and enhance the natural beauty of an area of camp frequented by most every visitor. The sides of the pathway have begun to erode and need repaired.

How will the funds be used? The funds generated by purchased pavers will help sustain camp for the next 75 years to come!

Why this matters?

- Donor giving has provided 3 million dollars in capital projects over the past decade: new Welcome Center, Sanctuary, Inspiration Lodge and Swimming pool/Recreation Area. It is time to ensure the long-term quality of the projects and structures that we have faithfully invested in.
- We need a space to honor our faithful supporters.
- The pandemic has shown us both how vulnerable and resilient we are. We want to be here for 75 more years!

Campers have been coming to Camp Horizon to connect with God in life changing ways for 75 years. Help us celebrate this milestone by purchasing an engraved brick paver that will be placed along the path to Inspiration Point.

Timeline: The campaign launch begins in October 2021. The walkway will be installed and dedicated in the fall of 2022 with bricks ordered by August 31, 2022. This ongoing campaign is a great way to pay tribute to someone important and to help fund the ministry of Camp Horizon for years to come.

Inscriptions: Print your inscription in the boxes below, up to 20 spaces per line. Include letters, blank spaces and punctuation

Engraving suggestions: Thank a counselor, honor a parent or grandparent that helped you come to camp, thank a church, thank a staff member, favorite Bible verse, give a word of encouragement or thanks, celebrate a wedding that took place at camp.
